SUMMARY

I'm a passionate web developer with hands-on experience in building responsive websites using React, HTML, CSS, and Tailwind. Alongside my interest in machine learning, I bring strong time management and collaboration skills honed through experience with HTML, CSS, Java, C++, Microsoft Office, and Photoshop. I adapt quickly, work well in teams, and always seek opportunities to grow and apply my skills to create real-world solutions.

SKILLS

Languages: JavaScript, Java, C++, Python, ReactJS, Tailwind CSS, HTML, CSS, SCSS

Tools: Android Studio, Git, GitHub, Microsoft Office, Photoshop

Soft Skills: Adaptability, Quick Learner, Collaboration, Active Listener, Problem Solving
